

TERMS OF REFERENCE

Young Asset Management Professionals Special Interest Group

ASSET MANAGEMENT COUNCIL

Purpose

The Young Asset Management Professionals (YAMP) special interest group has been formed to foster engagement of young asset managers providing support, maintenance and development of young in asset management. This special interest group is linked to the AMCouncil Strategic Plan under

- Strategic Objective 3 – Support Organisations to improve business performance through sound asset management principles and practices.
- Strategic Objective 3.7 - Foster engagement of Young in Asset Management – *support, maintain and develop young in asset management*

Specific Tasks

- Develop an online community for young in asset management through AMCouncil website
- Identify at least one point of contact in each chapter for the special interest group
- Keep a list of issues of importance to young in asset management and how the asset management council can assist in these issues
- Run two webinars per year focused on young in asset management
- Join in other like-minded association young group events
- Hold a face-t-face networking and professional development sessions as resources allow
- Work with Chapters to hold appropriate events, provide speakers, solve relevant problems
- Provide advice to Chapters and AMCouncil administration on specific issues affecting young practitioners in asset management

Composition

Membership of the group is those AMCouncil members who are aligned with supporting, maintenance and development of young in asset management. It is not restricted to young.

Governance – through a committee that reports to the CEO and works closely with the chapters

- National Chair YAMP a two year appointment
- A representative from each chapter
- CEO AMCouncil as secretaria
- Co-opted other members as necessary

Reporting

Report against business plan through the CEO every quarter

Meeting Frequency

Every 2 months or as required

Sunset

The requirement for a YAMP special interest group with these terms of reference is to be revisited in December each year.
